You've put together a hot, sexy plus size wardrobe full of clingy tanks and tees, plunging halter top dresses, and sheer, chiffon blouses.

Now, you're going to need the right plus size bra to perfect the look of those eye-catching outfits.

Here are five essential full figure plus size sexy bras that every full figure woman needs for summer:

Full Figure Plus Size Sports Bra

Active plus gals who are amply blessed on top need to wear a good plus size sports bra! No matter what physical activity you're participating in, you can find just the right style sports bra that will give you the comfort and support that you need.

You can find plus sports bras with support ranging from high impact support with padded, shaped, underwire cups to an over-the-head, lightweight, microfiber crop top for those less endowed plus ladies!

Plus size sports bras are available in styles that feature zipper front closures, soft cup stretch, racer back, seamless shelf, and even molded sport nursing bras for you plus size expectant mothers!

Full Figure Plus Size Strapless Bra

No full figure woman's summer wardrobe would be complete without a sexy, plus size strapless bra. Today's plus strapless bras are comfortable, supportive, seamless, and constructed to stay in place.

Strapless bras usually feature wider sides than normal bras, underwire support and a triple-hook back closure. Strapless bras should generally be worn a bit tighter than a normal bra, in order to stay in place.

You can find plus size strapless bras in styles ranging from push-up, hidden wire bustier, and lace seamless convertible. For those truly daring, sexy plus dresses or tops, you'll want to try the multi-use, self-adhesive, strapless, backless bra.

Full Figure Plus Size T-shirt Bra

Plus size t-shirt bras should be at the top of every full figured lady's list this summer. With their smooth and seamless

shaping, t-shirt bras are just the thing to wear underneath those clingy little cotton shirts.

Designed with hidden underwire, their smooth, sleek bra practically vanishes beneath even the sheerest fabrics. T-shirt bras usually have contoured, molded cups that are lined and lightly padded to prevent show-through.

Plus size t-shirt bras are available in a broad range of styles, from pushup, plunge, underwire, wire-free, microfiber stretch and Chantilly lace.

Full Figure Plus Size Racerback Bra

Plus size gals won't have to worry about visible bra straps under sleeveless shirts and tanks when wearing a plus size racerback bra.

The racerback bra was named after those racing-type bathing suits that competitive swimmers wear. The straps on a racerback bra meet in a V type shape on the back, between the shoulder blades.

Also known as a t-back bra, plus size racerback bras are designed with front closure, adjustable straps and underwire support.

Full Figure Plus Size Minimizer Bra

Plus size minimizer bras are just the thing for large-size ladies who want to streamline their shape just a bit, to look great in those clingy little summer tees.

Minimizer bras are designed to distribute the breast away from the front of the body, to give the appearance of a smaller bust. By doing so, the the well-endowed plus lady can now easily wear button-front blouses without fear of gapping.

A minimizer bra works by designing a cup that distributes the breast flesh more towards the underarm and the center front. A minimizer only shifts the mass in areas other than directly into reduce the bust by one cup size.

Plus size minimizer bras can be purchased with or without underwire, with sexy sheer, stretch lace embellishment and deep plunge silhouette.

With these five essential full figure plus size sexy bras in her wardrobe, the full figure woman will be ready for any warm-weather event.

But, before purchasing any plus size bra, please be sure to take a bra fit test!

Choosing the right plus bra size is just as important as selecting the right sexy plus size bra style for any summer wardrobe!
